

Navigating the new M&PS Website

The Department of Finance is proud to launch our newly redesigned [Ministerial and Parliamentary Services](#) website.

We have streamlined menus, simplified navigation, built a responsive layout for all platforms and provided more resources and information on our services.

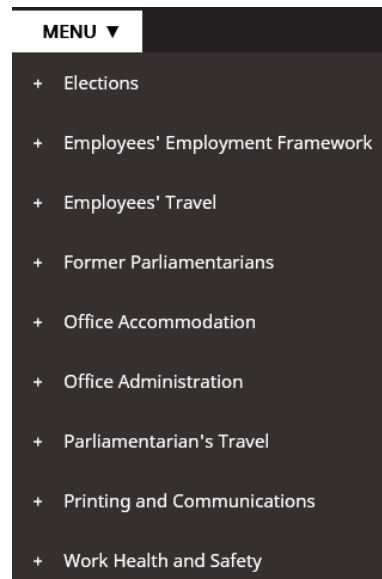

We will continue to review the website content and build on the existing functionality to deliver up-to-date and relevant information.

Header Links – the quick access menu for Contacts, Forms, Circulars and Handbooks is largely unchanged from the previous website. We have also included a link to the IPEA website.

The previous left side menu is now in the Header. Positioned at the right, this dropdown list provides links to relevant information.

Where do I find? Links are located in the same sections as the previous website, for example:

- Employment Agreement Bundle
- New Employees Guide
- Salary Rates
- Classification Structures
