

## Fact Sheet 6 – Logging on to CARS web portal

### CARS web portal

CARS has a web portal to manage your COMCAR bookings.

You need to have registered and received your password before you can log on to CARS.

To log on to **CARS web portal** follow these steps:

1. From the Ministerial and Parliamentary Services webpage, select the **CARS link**.
2. From the CARS page, select **Login**.
3. The CARS login page will display.

### Customer Portal Login

  
  
  
[Forgot Password?](#)  

A Privacy Notice about how COMCAR manages your personal information is available at [Privacy Policy](#). You may access further information about how Finance manages personal information from the Finance Privacy Policy available at [Privacy Policy](#)

4. Enter the email address you provided for your user name (usually your **gov.au** address).

5. Enter **password**

*NOTE:* the first time you log on to the CARS web portal, you will be prompted to change your password. Passwords must be at least eight characters long.
