Pre-arrival guide

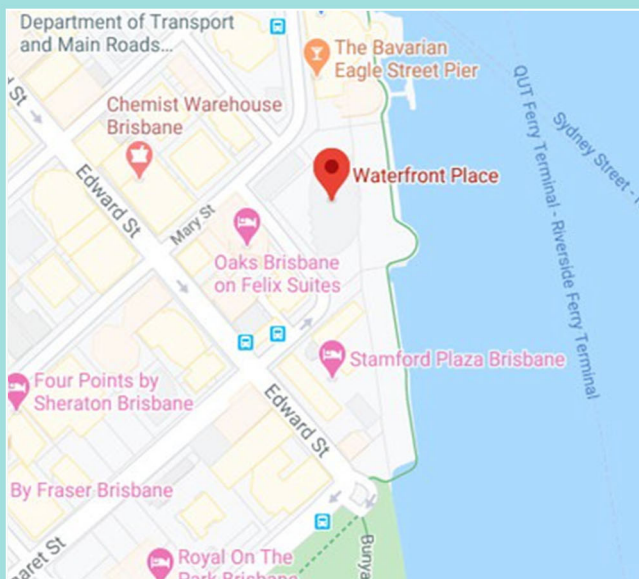

Welcome!

We look forward to welcoming you at our Brisbane Commonwealth Parliament Offices (CPO).

Located in the capital city of each state and in the Northern Territory, CPOs are managed by Ministerial and Parliamentary Services (MaPS), a division of the Australian Government Department of Finance.

Most CPOs provide permanent office accommodation to federal ministers and other office holders. MaPS staff provide a range of services, support and advice for federal parliamentarians and their staff, including those based in the CPO and in electorate offices across their state or territory.

Visiting suites and facilities at every CPO are available on a short-term basis to all federal senators, members and their accompanying staff for parliamentary business.
