This checklist is in two parts.

Part A should be completed by the employee's manager (the Parliamentarian or Office Manager) and the employee.

It will assist parliamentarians to:

- induct a new MOP(S) Act employee (the new starter) into the workplace
- demonstrate that the parliamentarian and the new starter have sought to meet their respective obligations under the *Work Health and Safety Act 2011* and *Work Health and Safety Regulations 2011* (WHS legislation).

This form may also be used to induct new volunteers who perform work for the parliamentarian, noting that the sections related to services offered to MOP(S) Act employees by MaPS will not apply.

Part B will assist the WHS Site Officer to:

- induct new starters and volunteers conducting work for the parliamentarian into safe working practices
- ensure that contractors and other persons performing work within the workplace are familiar with the systems in place to manage risks to health and safety.

In some instances, tasks on this checklist will be undertaken by an office manager, the WHS Site Officer or another employee, in consultation with the worker. It is recommended that completion of these tasks be recorded on this checklist, regardless of who completes them.

Once this checklist is completed, both the new starter and the WHS Site Officer should sign and date it. Both the new starter and the WHS Site Officer should retain a signed copy of the completed checklist for their own records, even after the employment has ceased.

When part B of this checklist is used by the WHS Site Officer to induct volunteers, contractors and other persons performing work within the workplace, both the WHS Site Officer and the person being inducted should sign and date the checklist and retain a signed copy for their own records.

Other employment forms are accessible via the employment section of the MaPS website.
