▶ Go to **STEP THREE** on page 2

► **STEP THREE – Choose your superannuation fund for employer contributions**

Select ONE of the following three options (A, B or C)

The choice of superannuation fund is limited to those funds that allow employee and employer contributions to the paid fortnightly through electronic funds transfer, and in accordance with the SuperStream standard.

- Your employer is not required to accept your choice of fund if you have not provided the required documents and information.
- The employer superannuation contribution to your nominated fund or the Public Sector Superannuation accumulation plan (PSSap) will be 15.4% of your ordinary time earnings for employees covered by the *Commonwealth Members of Parliament Staff Enterprise Agreement 2016–2019* in accordance with the *Superannuation Guarantee (Administration) Act 1992*.
- You may elect to have your employer superannuation contributions made to the PSSap or a different complying APRA fund (fund regulated by the Australian Prudential Regulation Authority), a retirement savings account (RSA), or a self managed super fund (SMSF) at any point during your employment. Employer superannuation contributions made to the PSSap may also be transferred to another complying APRA fund, RSA or SMSF at any time (please note the fund may charge employees a fee to transfer contributions).
- If you do not make a choice, employer superannuation contributions will be made to the PSSap.

Individual Flexibility Arrangement

The Special Minister of State has approved an individual flexibility arrangement (IFA) to allow eligible ongoing employees to choose to be paid an allowance in exchange for a lower employer superannuation contribution. The IFA is available to ongoing employees whose employer superannuation is paid under the *Superannuation Guarantee (Administration) Act 1992* (i.e. not CSS, PSS or PSSap members).

Should an employee choose to make an IFA, their employer superannuation contribution will be reduced from 15.4 per cent to 9.5 per cent of their ordinary time earnings. The employee will be paid an allowance of 5.3881 per cent of their ordinary time earnings each pay. The allowance is taxable and will also attract an employer superannuation contribution. The employee's overall remuneration, including employer superannuation, will be unchanged. If employees wish to make an IFA, contact the Staff Help Desk.

- A** – I wish to nominate the **Public Sector Superannuation accumulation plan (PSSap)**.
(The PSSap is the default fund for employer superannuation contributions for MOP(S) Act Employees.)

Further information on the PSSap, including the Product Disclosure Statement which contains important information concerning your superannuation entitlements, may be found at www.csc.gov.au or by contacting CSC on 1300 725 171.
